Theme: "He Taught Them With Authority"

Our Lord was sent by God, like all the prophets before him. He knows too that he suffer the same fate – REJECTION. It's the old story, GOOD versus EVIL. It is a constant battle, GHANDI, MARTIN LUTHER KING, ARCHBISHOP ROMERO, all messengers of PEACE and all ASSASSINATED.

JESUS ALSO KNOWS THAT FOR HIM IT WILL BE
CRUCIFIXION

The battle continues today and that's why we must **ALL RELY ON GOD'S HELP**

"Come Holy Ghost ...and with THY strength confirm our mortal frame"

TODAY IS RACIAL JUSTICE SUNDAY

Mahatma Gandhi was a man of peace and a brilliant lawyer. But his life was a nightmare because of colour. Thrown out of a railway carriage, regularly thrown into jail yet NEVER violent. He was a man of peace who spent his whole life struggling with people who used force and violence to preserve their unjust way of life. People of peace can never enjoy quiet lives, it seems, since they are forever in conflict with what is unjust in the world. **IT COST HIM HIS LIFE – A BULLET**

"No one is born hating another person because of the colour of his skin, or his background, or his religion. People must learn to hate, and if they can learn to hate, they can be taught to love, for love comes more naturally to the human heart than its opposite." **Nelson Mandela**

AND TO END A FEW GOLDEN NUGGETS!

"Men occasionally stumble over the truth, but most of them pick themselves up and hurry off as if nothing happened" Winston Churchill

"Always do right: this will gratify some people and astonish the rest." Mark Twain

"The optimist proclaims that we live in the best of all possible worlds, and the pessimist fears this is true" Oscar Wilde

"There is only one thing in the world worse than being talked about, and that is not being talked about" Oscar Wilde

"In America, the young are always ready to give those who are older than themselves the benefit of their inexperience" Oscar Wilde

And from Fr John himself

"Youth is a wonderful thing; what a crime to waste it on our children!"

"Old age isn't bad when you consider the alternative!!!"

And a parting thought: Success is just a matter of luck. Ask any failure!!!
