**Amalgamation**

This weekend, as part of the amalgamation consultation, we are considering the pastoral provision within the proposed parish. There is a special paper outlining what we need to consider and another paper for your replies. Next week we will begin looking at possible names for our new parish. Please do get involved in this process and send in your responses.

**Mass of Remembrance Saturday 10 November**

There will be a Mass for the Holy Souls at 12noon at Ss Peter and Paul. Everyone (from both parishes) is invited to come and pray for deceased family and friends. There is a list at the back of church for names of those we wish to be remembered and this list will be taken up in the offertory procession at the Mass. If you would like your loved one's name to be read out, please arrive at church early. A memorial candle will also be made available for those who wish to have names read out. Lunch will be available after the Mass.

**Remembrance Sunday Concert**

**St Luke's Church – Sunday 11<sup>th</sup> November 2pm**

The concert by the Honour Choir at St Luke's is the highlight of the weekend where the centenary of the end of The War will be commemorated. The performance includes songs and spoken word with an emphasis on Salford and Manchester experiences, followed by the Honour Song Cycle, a piece composed specially for the choir by Andrew J Smith. More information on the parish website. Entrance to the concert is free and all are welcome.

**Volunteers:** At the parish meeting in September, we talked about setting up various groups to look after different aspects of parish life. The Parish Leadership Team has considered this further and would like to start with two essentials – a Parish Finance Committee and a Communications Group. The Finance Committee is a requirement for all parishes and there is a diocesan document outlining its constitution – a small number of members with financial, legal or management backgrounds to assist the parish priest in the oversight of the parish assets. The Communications Group could have a wider membership of people with experience of media or social media and perhaps IT expertise. If you would like to be a member of either of these, or recommend anyone else, please get in touch with one of the priests. Thanks.
