Email: bulletin@stlukesalford.org.uk

Wednesday Word:

Copies of these leaflets to help you reflect on next Sunday's Gospel are available to collect at the back of church.

Rosary during the Month of October for the Church:

As mentioned at last week's Masses Pope Francis has invited us all to join him in praying a daily rosary during this month of October, traditionally devoted to Our Lady, with the special intention of praying for the Church's ongoing fight against evil. He asks that we add to our rosary two traditional prayers, the "Sub Tuum Praesidium" (Under your protection) and the prayer to Saint Michael the Archangel. The words of those two prayers are provided below:

Sub Tuum Praesidium:

We fly to thy patronage, O Holy Mother of God; despise not our petitions in our necessities, but deliver us always from all dangers, O glorious and blessed Virgin. Amen.

Prayer to Saint Michael the Archangel

Saint Michael, the Archangel, defend us in battle. Be our protection against the wickedness and snares of the Devil. May God rebuke him, we humbly pray; and do thou, O Prince of the heavenly host, by the power of God cast into hell Satan and all the evil spirits who wander through the world seeking the ruin of souls. Amen.

CAFOD Family Fast Day:

This weekend's special collection, following Friday's Fast Day, is raising funds to help communities in remote villages in Uganda to have a supply of clean, safe water.

Hope in the Future:

The parish was represented at the "Liturgy of Mission" in the Cathedral on Thursday which celebrated all that has happened in the first stage of Hope in the Future and launched the materials for use in the second stage. In this second stage we are invited to consider our gifts and talents and charisms that we can use to play our part in the mission of the Church. More information to follow.

'Restart a Heart'?

A national event organised by St John Ambulance and the Salford unit is holding a local event at The Emmanuel Centre, Langworthy Road on Friday 19 October from 7.15pm to 9.15pm.

The idea is to teach basic life saving skills, so demonstrations on how to give CPR and use a defibrillator along with the opportunity to have a go. You are never too young or old to learn.
