World Mission Sunday: This weekend we have our annual day of prayer for the mission of the Church throughout the world. Our second collection this week will go to support the work of Missio, the Pope's official charity for overseas mission. If you wish to gift aid your donation, please use one of the special envelopes. Our prayer and donations will be focussed on Ethiopia, under the theme "Together we can build a future of hope". For further information see www.missio.org.uk

Mass of Remembrance: On Saturday 10 November there will be a Mass for the Holy Souls at 12noon at Ss Peter and Paul. Everyone (from both parishes) is invited to come and pray for deceased family and friends. There is a list at the back of church for names of those we wish to be remembered and this list will be taken up in the offertory procession at the Mass. If you would like your loved one's name to be read out, please arrive at church early. A memorial candle will also be made available for those who wish to have those names read out. Lunch will be available after the Mass.

Amalgamation: Over the next few weeks, we will be reflecting on the various things that we need to consider with regard to amalgamating our two parishes. We start this week with some thoughts on the parish boundaries. There is a special paper outlining what we need to consider and another paper for your replies. This information is also on the parish website. Next week there will be a paper about pastoral provision and the week after we will begin looking at possible names for our new parish. Please do get involved in this process and send in your responses.

Volunteers: At the parish meeting in September, we talked about setting up various groups to look after different aspects of parish life. The Parish Leadership Team has considered this further and would like to start with two essentials – a Parish Finance Committee and a Communications Group. The Finance Committee is a requirement for all parishes and there is a diocesan document outlining its constitution – a small number of members with financial, legal or management backgrounds to assist the parish priest in the oversight of the parish assets. The Communications Group could have a wider membership of people with experience of media or social media and perhaps IT expertise. If you would like to be a member of either of these, or recommend anyone else, please get in touch with one of the priests. Thanks.
