THE CONVERSION OF ST PAUL

CHRISTIAN UNITY

"Anglicans and Catholics are NOT competitors but witnesses to the love of Jesus Christ" Pope Benedict on his visit to England

"We must work together for peace and understanding: grow in mutual knowledge and respect; respect their beliefs and heal our past wrongs" Pope Benedict in London.

"Many think differently, feel differently, seeking God or meeting God in different ways. In this crowd, in this range of religions, there is only one certainty that we have for all: we are all children of God" Pope Francis

HOW THINGS HAVE CHANGED – THANK GOD!

And finally, down to earth!

Astronaut Frank Borman speaking from the surface of the moon, "Looking back at the earth, we are one hunk of ground, water, air and cloud floating around in space. From here it really is ONE WORLD! I'M SURE THAT'S HOW GOD SEES IT!"

And the funnies!

"Billy Smith, what happened at the Reformation?" Please sir, Catholics became Christians!"

"My husband and I divorced over religious differences. He thought he was God, I didn't"

"Jesus must been a brilliant electrician – He lit up all the world!" Billy Brown aged 7. Beat that if you can!

THANK YOU FR. GAVIN

You're a GEM! What a pleasure to see such a young, handsome and enthusiastic priest! You must come more often!!!
