**THEME: HOW IT ALL BEGAN**

**"I will make you enemies to each other, you and the woman"**

All ancient religions and cultures have stories which portray the beginning of the world. There was complete harmony between man & woman, between human beings & God. But right from the start DISOBEDIENCE ended the relationship. As a result they are ashamed of themselves and afraid of God.

The profound truth is that because of sin, we cannot face God. **GOD HAS TO SEEK OUT THE FIRST HUMAN BEINGS. "WHERE ARE YOU?"**

As we know it is only "in the fullness of time" that God sent his Son. But Jesus was not accepted by his own people. They cannot accept his love and care for sinners. Even his relatives disapprove of him. They don't yet understand "you must hate the sin but **LOVE THE SINNER**" **"That's why I have come TO CALL SINNERS!"**

Unlike the religious leaders who were preoccupied with ritual correctness, Jesus taught that goodness and kindness pleased God most. Sadly they had a totally false idea of religion. **"ANYONE who does the will of God, that person is my brother and sister and mother."**

**And to end with a smile – topical funnies**

I love being married. It's so great to find that one special person you want to annoy for the rest of your life!

A good wife always forgives her husband when she is wrong!

Two secrets to keep your marriage brimming.

1. Whenever you're wrong, admit it
2. Whenever you're right, SHUT UP!

A man inserted an 'ad' in the classifieds "Wife Wanted". Next day he received a hundred letters. They all said the same thing "You can have mine!!"

**And to repair the damage, a sweetener!**

*What sweetness is left in life if you take away friendship?  
It's like robbing the world of the sun*

All is forgiven – I hope!
