Theme: TRUE RELIGION DEMANDS JUSTICE & LOVE.

“I hate and despise your feasts.”

At the time of the prophet Amos, the land was full of plenty, the cities were elegantly built and the rich had their summer and winter villas adorned in costly ivory. At the same time there was widespread corruption and immorality. The poor were exploited and justice non – existent.

AND THE MESSAGE FROM AMOS THE PROPHET:

“I hate and despise your feasts.

I take no pleasure in your solemn festivals....

I reject your gifts and reuse to look at your sacrifices of fattened cattle.

Let me have no more of the din of your chanting...

But let justice flow like water and

Integrity like an unfailing stream.”

Amos, GOD'S SPOKESMAN, tells them quite clearly that

THEIR “RELIGION” IS HYPOCRACY

AND TO END ON A FRIENDLY NOTE!

May we be richer in friends than in money!

Happiness is not perfected until it is shared!

It is not lengthy prayer but generous deeds that touch God's heart!

If you want to win friends and influence people, keep your ears
open and your mouth shut!

To be needed in other people's lives – is there anything greater or
more beautiful in this world?

And this final pearl:

CHRISTIANITY IS NOT A RELIGION, IT IS A RELATIONSHIP!
